2. The defendant shall participate in a mental health treatment program and follow the rules and regulations of that program. The probation officer, in consultation with the treatment provider, will supervise the defendant's participation in the program (provider, location, modality, duration, intensity, etc.). The defendant must take all mental health medications that are prescribed by her treating physician.

3. The defendant shall pay a fine in the amount of \$1,000 previously imposed in Case No. 5:09CR00163-001. The defendant will cooperate with the probation officer to devise a payment plan providing for monthly installments to begin no later than 60 days after release from imprisonment and shall continue each month until the balance is paid in full.

SO ORDERED.
